with interactive questions, encouraging students to reflect on their career choices, educational backgrounds, and personal growth since admission. Mr Haresh discussed the evolving role of commerce in shaping careers in business, finance, and technology, emphasizing the importance of personal reflection at each stage of education. He introduced students to the concept of VIPS analysis, guiding them to assess industries and future career options. Key topics included pathways to international education, certifications, and preparation for competitive exams. Students also received clarity on the common dilemma of whether to pursue higher education or gain work experience after graduation. Haresh's insights inspired students to make informed decisions about their career paths.

The **Session on Professional Growth and Development** supported the Sustainable Development Goals, primarily:

SDG 4: Quality Education: Education focuses on providing pupils with necessary skills such as public speaking for lifetime learning. job advising sessions are important because they help students explore job options while also improving communication skills through presentations and debates. These workshops help students gain confidence, improve articulation, and prepare for real-world issues. Integrating public speaking into such activities promotes holistic development and coincides with the goals of SDG 4.

ABOUT ME

To leverage my extensive experience in teaching and leadership within a dynamic academic institution. My goal is to cultivate an engaging learning atmosphere, utilising innovative teaching techniques to inspire students and guide them towards success. Furthermore, I am dedicated to advancing the frontiers of knowledge through impactful research, fostering interdisciplinary collaboration with peers, and actively contributing to the academic community through service and outreach initiatives. Passionate about creating dynamic learning environments that promote student success and prepare them for future endeavours.

SUMMARY

Profile

A distinguished academic leader with over 15.5 years of experience. I have completed PhD in service marketing, focusing on the banking industry. Complementing this expertise, I hold a Postgraduate Certificate in Management from Monash University, Melbourne. Presently serving as an Associate Professor at REVA Business School, Bangalore, I excel as a management consultant and soft skills trainer for both corporate entities and students. Recognised as a consistent top performer, I've been awarded Best Faculty multiple times. My scholarly contributions include publishing six research papers in prestigious journals like Scopus, EBSCO, and PROQUEST, along with numerous others at national and international levels, along with two patents and book chapters. Proficient in communication, self management, and team building, I have demonstrated the ability to grasp new concepts quickly. I've successfully led Ph.D. programs in management and commerce and played a pivotal role in curriculum design as a Board of Studies member at REVA Business School, showcasing a commitment to academic excellence and leadership.

Action Taken Report

Following the **Mock Group Discussion** held on **19th and 20th September 2024** by the Department of Commerce, Bangalore Yeshwanthpur Campus, feedback was collected from the participating final-year students. The response was overwhelmingly positive, with students appreciating the event's effectiveness in preparing them for placement processes. The session, moderated by **Dr. Gokilavani R.** and coordinated by **Dr. Anu K.M., Dr. Rahul P., and Mr. Lakshay P.S.**, was praised for helping students develop critical communication, analytical thinking, and leadership skills. Based on student feedback, several actions have been planned for future group discussions, including the incorporation of more practical workshops, increased interactivity through live feedback and role-playing, expanded outreach to involve more students, a continuous feedback mechanism, and recognition programs to motivate participants. These initiatives aim to further enhance students' career readiness and foster a culture of skill development within the department.

CAPS- Centre for Academic and Professional Support at CHRIST (Deemed to be University), Yeshwanthpur is an open platform that attempts to bridge the gap between classrooms based theoretical learning and career-based applicable knowledge. At an individual level, CAPS helps one attain greater proficiencies and be competent in spheres related to academic and professional activities, through support in a wide array of topics ranging from research to career readiness. It is also an opportunity for one to develop their networking skills and understand industry expectations through interaction based university wide sessions. At the organisational level, it creates a platform for all the deaneries which promote a cross fertilisation of ideas and knowledge to optimally utilise the university's resources. At the societal level, CAPS aims to create holistically developed individuals, equipped with the appropriate skills that enable them to make a difference.

The Department of Commerce recently hosted an insightful seminar in collaboration with HICM, India's leading Investment Banking and Fund Accounting Training Institute. The event featured Professor Gautam Rai, a highly regarded expert with over 15 years of experience in the investment banking industry. Professor Rai delivered an extensive overview of the investment banking sector, shedding light on critical aspects such as front, middle, and back-office operations, as well as financial modeling and analysis. The seminar provided participants with a thorough understanding of the structure and dynamics of the investment banking industry. Professor Rai elaborated on the diverse roles within the industry, emphasizing the skill sets required for each and the various career paths available. His practical insights, drawn from years of experience as both an academic and industry practitioner, were particularly valuable for students and professionals aiming to establish or advance their careers in this field.

A key highlight of the event was the interactive Q&A session, where attendees had the opportunity to engage directly with Professor Rai. Participants sought clarification on various aspects of their career aspirations and received personalized advice. The seminar concluded with Professor Rai offering strategic guidance on building a successful career in investment banking, leaving attendees well-equipped and motivated to pursue their professional goals in this dynamic and challenging industry.

Action Taken Report

Following the session on "The Story of Money: How Beliefs, Emotions, and History Shape the Financial World We Live In" held on 27th February 2025, feedback was collected from participants to assess the session's impact and effectiveness. The response was highly positive, with students appreciating the insights into the evolution of money, financial behaviors, and economic transformations. The expert guidance provided by Dr. Sudeesh, along with the engaging discussion, was particularly well received. Participants found the session valuable in understanding financial decision-making, historical economic shifts, and the psychological aspects of money.

Based on the feedback, several initiatives have been planned to further enhance students' understanding of financial systems. Follow-up discussions and case study analyses will be conducted to provide deeper insights into monetary policies, financial institutions, and global economic trends. Expert-led sessions on behavioral finance and economic history have been planned to offer students a broader perspective. Additionally, interactive workshops focusing on critical thinking, financial data analysis, and decision-making skills will be organized to further enrich students' learning experience.

Synopsis of the Activity (Description)

Highlights of the Activity	LinkedIn is a powerful tool for students to build their professional brand and network with industry professionals. As a social media platform tailored for career growth, LinkedIn allows students to create a professional profile that showcases your education, skills, experiences, and achievements. By joining LinkedIn, students can connect with peers, alumni, professors, and potential employers, making it easier to discover job opportunities, internships, and mentorships. It's a space where you can follow companies, join groups related to your field of interest, and stay updated on industry trends. One of the key features of LinkedIn is its job search functionality, which lets you apply for positions directly through the platform. Additionally, LinkedIn Learning offers a vast library of courses to help you develop new skills and enhance your resume.
Key Takeaways	• Understanding LinkedIn's Purpose • Building a Professional Profile. Networking Strategies • Job Search and Applications • Leveraging LinkedIn Learning
Summary of the Activity	A LinkedIn seminar provides students with essential insights and practical guidance on leveraging LinkedIn for career advancement. They learn how to create a compelling LinkedIn profile, highlighting their education, skills, and experiences to attract potential employers and recruiters. The seminar emphasizes

Brief Description of Event

The event 'Unlocking LinkedIn Potential' took place on 7th August, 2024 from 12:30PM - 1:30PM at Christ (Deemed To Be) University. In today's competitive job market, establishing a strong online presence is crucial for career success. LinkedIn, the world's largest professional networking platform, offers students a valuable opportunity to showcase their skills, connect with industry professionals, and explore job opportunities. Creating a LinkedIn profile as a student is a proactive step toward building a professional identity and positioning oneself for future career success. The foundation of an effective LinkedIn profile is a well-crafted, professional summary. This summary should provide a concise overview of one's academic background, career aspirations, and key skills. It's essential to be clear, engaging, and authentic, offering a snapshot of who you are and what you aim to achieve. A professional profile photo is also crucial. Profiles with photos are far more likely to receive views and connection requests. Academic achievements and extracurricular activities often serve as the primary content of a LinkedIn profile. Listing your educational background in detail, including the institutions attended, degrees obtained, and any relevant coursework or honors. Highlighting involvement in clubs, organizations, and volunteer work can also add depth to your profile, showcasing your well-roundedness and commitment. Internships, part-time jobs, and

volunteer experiences should be detailed under the "Experience" section. Describing ones roles and responsibilities concisely, focusing on skills gained and achievements. Use action verbs and quantify your accomplishments when possible, as this can make your profile more impactful. Creating a LinkedIn profile as a student is an essential step toward building a professional online presence. By crafting a compelling profile, highlighting education and experience, showcasing skills, and actively networking, students can position themselves for future career success. Leveraging LinkedIn's features, such as LinkedIn Learning and groups, can further enhance a student's profile and professional development. In the digital age, a strong LinkedIn profile is not just an asset but a necessity for anyone serious about their career.

Summary of the Activity	The Department of Commerce organized a career guidance session on “UPSC Careers: Opportunities, Challenges, and Strategies for Success” on 19th February 2025 at CHRIST (Deemed to be University), Yeshwanthpur Campus. Coordinated by Dr. Rahul P. with the assistance of student coordinator Mr. Lakshay the session aimed to provide students with a comprehensive understanding of the UPSC examination process, career prospects, and preparation strategies. The session featured a keynote address by Dr. Abhijith P S (Assistant Professor, Department of Commerce) on the topic “UPSC Careers: Opportunities, Challenges, and Strategies for Success.” The discussion covered key aspects such as exam structure, subject selection, time management, and analytical thinking, offering valuable insights to aspiring civil servants. The session was attended by registered participants from 4th and 6th Semester BCOM (All branches) and 2nd Semester BCOM (A&T), who gained practical knowledge on structuring their UPSC preparation, leveraging current affairs, and developing problem-solving skills. The session received positive feedback for its emphasis on strategic planning, career motivation, and fostering a knowledge-driven learning environment, inspiring students to explore UPSC as a viable career path.
Follow-up plan	The follow-up plan for the UPSC Career Guidance Session includes regular workshops, mentorship programs, and interactive discussions to help students develop a structured approach to UPSC preparation. Guest lectures by UPSC experts and successful candidates will be organized to provide real-world insights and motivation. Networking opportunities will be facilitated through alumni interactions, mock interview sessions, and study group formations, allowing students to learn from experienced professionals. Skill-building activities such as answer writing practice, current affairs discussions, and critical thinking exercises will be conducted to enhance analytical abilities.

Brief Description of Event:

The Department of Commerce at CHRIST (Deemed to be University), Bangalore Yeshwanthpur Campus, organized a career guidance session on "UPSC Careers: Opportunities, Challenges, and Strategies for Success" on 19th February 2025. The event, coordinated by Dr. Rahul P., with the assistance of student coordinator Mr. Lakshay, aimed to provide students with a structured understanding of the UPSC examination process, career pathways, and preparation strategies for civil services.

The session featured a keynote address by Dr. Abhijith P. S., Assistant Professor, Department of Commerce, who provided expert insights into the UPSC examination structure, subject selection, time management strategies, and analytical thinking techniques essential for success. The discussion emphasized the challenges aspirants face and the strategies to overcome them, with a particular focus on current affairs, decision-making, and problem-solving skills.

The session was attended by 120 registered students from the 4th and 6th Semester BCOM (all branches) and 2nd Semester BCOM (A&T). Participants engaged in an interactive Q&A session, where they received personalized guidance on exam preparation, study techniques, and career prospects in civil services.

Following the UPSC Career Guidance Session held on 19th February 2025, feedback was collected from participants to evaluate the session's impact and effectiveness. The response was highly positive, with students appreciating the structured insights into the UPSC examination process, career prospects, and preparation strategies. The expert guidance provided by Dr. Abhijith P S, along with the interactive Q&A session, was particularly well received. Participants found the session engaging and valuable in shaping their understanding of the examination structure, time management techniques, and subject selection strategies.

Based on the feedback, several initiatives have been planned to enhance students' UPSC preparation. Monthly workshops have been planned to provide in-depth training on exam patterns, answer writing techniques, and analytical thinking. A mentorship program has been planned, connecting students with faculty members and UPSC alumni to offer personalized guidance. Guest lectures by civil service officers and subject matter experts are expected to provide real-world insights and motivation.
